New Photos

I have put lots of new photos onto my web galleries. Lots of London from 2 trips in December and January. Colorado, Wyoming, Utah and San Francisco have also been added including lots of US ski areas.

This last shot at Red Rock Lake became part of 2005 an obession. I saw the shot in the Summer of 2005 and knew I had to take it in the winter with a frozen lake, frosted trees, snowy mountains and blue sky with something interesting in the foreground. 8 trips later, all on snowshoes, and either 2 or 3 miles depending on the route taken I had my shot!
