

I knew it couldn't last; I missed sending out a newsletter for the month of September!

## Events

We have one more event in October and three in November, all Christmas shows:

- [ICHF Crafts for Christmas](#), Stand D12, Glasgow SECC, Thursday 25th to Sunday 28th October.
- [Artist & Designer Christmas Fair](#), Buxton Pavilion Gardens, Saturday 3rd and Sunday 4th November. Free admission to this one. About 50 exhibitors.
- [ICHF Crafts for Christmas](#), Stand E06, Birmingham NEC, Thursday 8th to Sunday 11th November.
- [Christmas Contemporary Craft Fair](#), Stand 51, Craft in Focus at RHS Wisley near Guildford, Wednesday 21st to Sunday 25th November; £7 entry, RHS members free.

We will have our own stand at all 4 shows and lots of framed and unframed photographs, posters, books and more. Also some clearance and sample prints at reduced prices.

No more shows after these until March 2013.

## Landscape Photography Courses

No more courses available this year. As I write this just 3 darkroom courses

to go and all fully booked.

Next course:

- Peak District Photo course at Bole Hill and Padley Gorge, Saturday 6th April 2013, £150 per place.

This offers a full day of practical photography, no classroom sessions, just 5 people with 2 tutors (Dave and Jan Butcher) in an enjoyable atmosphere. Suitable for complete beginners to advanced photographers with both digital and film cameras. Overall, we help you to be more creative with your photographs, producing images with more impact. Book through [davebutcher.co.uk](http://davebutcher.co.uk).

- [Private courses](#): All courses can be run as private courses and prices for all locations are now [shown on the web site](#). So, if you can't make the dates in our programme or would like more attention than is possible in a group, or you have your own group then talk to us about what we can do for you.

### **[Darkroom Printing Courses](#)**

The darkroom printing courses are £160 per place and include all paper and chemicals. Ilford subsidise the cost of the paper and chemicals used on the courses for which there is no extra charge. There are just 2 places on each course so you are assured of lots of attention during the day. Next available course:

- Sunday 7th April.
- [Private darkroom courses](#) also available on dates to suit you, more details on the web site.

### **[New Photographs](#)**

Just a few new images this time. Managed to get into Manchester and Salford Quays for some photos in early September, reasonable weather too. Some of them will be included in my City Light book that I'm pulling together right now. Last major trip for the book is to Rome in early December.

### **Manchester Urbis National Football Museum**

**Battersea Power Station and River Thames**

**Brighton Pier and Waves**

## **Buxton Octagon from the Bandstand in Pavilion Gardens**

### **[Web Site Change](#)**

We have made some changes to my main web site, [davebutcher.co.uk](http://davebutcher.co.uk). The [Home page](#) has been tidied up and the [Gallery Expanded image pages](#) have been made simpler by the removal of the drop down menu. All size and price options are now displayed all the time; there are usually 4 options for

each image, 2 Original sizes and 2 Silver sizes. The biggest and smallest sizes are Silver Prints; Original Prints are sizes between these and are, as always, hand-printed by me. All of these four options are silver gelatin darkroom prints.
